

Nerdy Books Licensing Pricing 2006

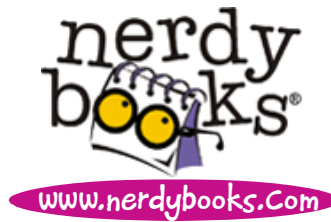

NERDY BOOKS LICENSING PRICING

Install our "Just the tips, man" ebooks on your corporate or educational intranet and you'll give employees, students, teachers and others immediate access to thousands of tips when and where they need them. Corporate customers, large and small, academic institutions and non-profits all license our materials for training and educational purposes.

Our licensing pricing is based upon the number of users or, for academic institutions, the FTE's (Full Time Enrollments) for the current year. Not sure if you are eligible for academic pricing or need more information? Please email Sarah Liucci at sarah@nerdybooks.com or give us a call toll free at **866-843-8477**.
